SPEED DATING FOR DESIGNERS

Meet the companies interested in designers

During the event you can do short interviews of ten minutes with each company, during which you can introduce your CV (both Italian and English), to tell the path of your studies, to talk about your professional aspirations and to impress positively the recruiter in few minutes. Remember that the first it is very important! Introduce yourself best you can, demonstrates to him that you know the company for which he works and its business, your knowledge will mark the difference!

We remind you to bring a copy of your CV for each company in both Italian and English.

All the events are dedicated to Polimi students and graduates only.
