

REPORT ESPERIENZE AL RIENTRO DALLO SCAMBIO A.A. 2018-2019

KAUNO TECHNOLOGIJOS UNIVERSITETAS (LITUANIA) - LT KAUNAS02

Anno di corso 2° LM

Corsi di studi Design & Engineering

Esperienza a livello accademico

The lessons I took I like them. The evaluation system was quite different because you have exams all the semester and assistance its important. But that makes lighter the end of the semester.

Esperienza a livello personale

I learn a lot of the upper east part of europe. As a expirience is totally recomandable. It was so easy to travel around and not expensive at all. Im grateful with the erasmus. Lituanian and baltic countries are totally different to the standart european.

Anno di corso 2° LM

Corsi di studi Design & Engineering

Esperienza a livello accademico

piacevole anche se meno oberante

Esperienza a livello personale

ho scoperto una cultura totalmente diversa
