## **MASTER'S DEGREE COURSES SCHOOL OF DESIGN ADMISSIONS 2nd SEMESTER AY 2020 / '21**

Given the resolution adopted by the Board of the School of Design in the session of 31.01.2020 relating to the definition of the number scheduled for each Master's Degree Course of the School of Design;  
Considering the Guide for the Admissions to the Master's Degree Courses of the School of Design;  
Considering the merit rankings published on 4 September 2020 on the School website;  
Considering the number of withdrawals received during the first semester;

it should be noted that

- the following Master's Degree Courses of the School of Design:

**Integrated Product Design**

**Interior and Spatial Design**

**Design della comunicazione**

**Digital and Interaction Design**

**Design & Engineering – Progetto e ingegnerizzazione del prodotto industriale**

**Product Service System Design – Design del prodotto Servizio**

Have filled the number of places available with the enrolments in the 1st semester, therefore no selection will be opened for the 2nd semester.

- the Master's Degree Course in **Design for the Fashion System will open the selection in the 2nd semester** for a number of **4 places** available for enrolment without the need to fill training gaps through curricular supplements.

**Deadline for applications : from 7 to 28 January 2021**

1 December 2020
