(Cross-curricular across multiple Master's degrees at the Lecco Campus)

Profs. Ingrid Janita Mulder, Saad Sulonen, and Anna Meroni

Designing Participation: Exploring Ways, Tools, and Technologies for Living Together. The **PoliMi Summer Break 2026** consists of intensive, coordinated, cross-disciplinary workshops, along with field activities, open to both PoliMi and visiting students. Now in its third edition, the program (in collaboration with **Aalto University and TU Delft**) proposes a combination of activities on the theme of Participation for living together. It will be organized into two intertwined workshops: one led by Ingrid Mulder (TU Delft – titled “Depolarizing public debate. Designing authentic participation in peaceful and inclusive ecosystems”) and the other by Joanna Saad-Sulonen (Aalto University – titled “Collaborative explorations of the multiple forms of participation and participatory trajectories”), preceded by online activities, mentoring, and a field experience curated by Anna Meroni (PoliMi).

Maximum students: 5

Students can express their interest by submitting their application through the online services:
Application for admission → Admission to selection procedures → **CROSS DISCIPLINARY WORKSHOP - Design Engineering.**

Lingua erogazione: Inglese

In order to draw up a merit ranking, applications will be considered in the order in which they are received.

Following allocation, the Offices will amend the students' Study Plans.
